14. Limited English Proficiency Applications . Approved, subject to further Department review, modified allowable growth for the 2007-2008 school year for excess

costs of providing services to LEP students for eligible districts making requests. Requested that the Department select some districts to appear before the SBRC for future requests rather than all districts being presented as a group.

15. Supplementary Weighting List. Certified to the department of management the supplementary weightings with the certified enrollment report.

16. Letter to Districts on Financial Condition. Reached consensus that the department continue developing criteria to identify districts having issues with financial condition or projected to have issues in the near future. Requested that the plan include sending the letters to the business manager, superintendent, and board president.

17. CAR non-filers. Discussed having districts appear that were on the list of non-filers for a second year. Postponed action until the SBRC receives a report from the focus groups. Districts that had not filed and certified their CAR to date were:

Des Moines Independent School District
Nishna Valley Community School District
Walnut Community School District

18. Phase II Update. Received an update on the Phase II accreditation visit with fiscal review. This was informational only and did not require action by the Committee.

19. Initial Staffing Study Update. Received an update on the study of initial staffing requests. Requested that the Department ensure that requests for initial staffing were actually district-wide increases in staffing. This was informational only and did not require action by the Committee.

20. Excess Cash reserve Study Update. Received an update on the study of cash reserve levy limits. This was informational only and did not require action by the Committee.

21. 2008 SBRC Report to the Legislature Update. Received an update on the SBRC's annual report to the legislature. This was informational only and did not require action by the Committee.
